# ABOUT THE COMPANY

Al Mana Metal Industries ( **AMI** ) is a company under the prestigious group Al Mana International Holding which was established in 1952 in Qatar.

Al Mana Metal Industries (**AMI**) is a production facility in Qatar, which specializes in manufacturing insulated panels, corrugated sheets and it's accessories, Z & C purlins, Decking panels.

**AMI** also manufactures expanded metal products like the Angle beads, Plaster stop beads, block work mesh etc. which is used for the reinforcement purposes and plaster embracing in addition to give better finishing and stronger edges resulting to the increased life time of any building. We do manufacture the wall tie which is used to firmly fix the block to block or block to column etc.

**AMI** is also producing Galvanized Iron lintels which is a substitute for the RCC Lintels. By using our GI Lintels the customers can save time, money, energy etc. Another area of our manufacturing is in the field of ceiling suspension and wall partitioning system, which is extensively used in the gypsum ceiling and dry wall partitioning.

Recently we have added Insulated gutters, Tee grade system, Structural Steels, Hanex, Skylight, Aluminium Profile ( Shadow Gap ) in our products lineup.

**AMI** emphasises on quality products catering for today's competitive and demanding business environment Using advanced technology supplement with stringent quality control systems, we ensure that our high production standards are met. Furthermore, with depth knowledge of our manufacturing systems capability ties, our products have achieved a very high-quality standard in this industry.

At **AMI**, the study, production and sale of our products takes place in total respect of the environment surrounding us. The protection of the health of our customers is our main concern The quality of work is identified in the correctness between employees, the well-being of the working environment and the enthusiasm of all the personnel involved in the production cycle **AMI** believes in prompt delivery, uncompromising commitment to customers satisfaction and in excellence in all what we do.

# OUR VISION
